Suffering from irregularity, or Obstruction of the Menstrue from whatever cause.

IT IS SURE TO CURE!
IT IS SURE TO CURE!
IT IS SURE TO CURE!
IT IS SURE TO CURE!

It is impossible to enjoy the bloom of health and vivacity of spirits unless the Menstrue be regular as to the time, the quantity and quality. When they are obstructed, nature makes her efforts to obtain for it some other outlet, and, unless these efforts of nature are assisted, the patient usually experiences Despondency, Nervousness, and finally Consumption assumes its way, and prematurely terminates a miserable life.

THEY ACT LIKE A CHARM,
By strengthening and invigorating and restoring the system to a healthy condition. In moderate all excess, and removes all obstructions, and a speedy cure may be relied on.

TO MARRIED LADIES,
They are peculiarly adapted, as they bring on the monthly period with such perfect regularity.

Sure to do Good!

I could furnish any quantity of testimonials of its efficacy from my own patients, but the practice of parading bought and sold notices before the public is so prevalent I do not deem it advisable. My object is to place my medicine before the public, not alone to make money, but to do good. It is proverbially true of the American ladies, that not ten perfectly healthy ones can be found in any one vicinity.

BE WISE IN TIME.
BE WISE IN TIME.
BE WISE IN TIME.
BE WISE IN TIME.

Let not disease destroy your constitution. Try a bottle of my Periodical Drops, and you will be satisfied that I am no impostor. Tell your afflicted friend what restored the bloom of health to your cheeks, and thereby confer a favor more valuable than gold. For painful or scanty menstruation is just the thing. I have now in my mind an instance of a lady who had been suffering from painful menstruation two or three years, confining her to her room each time, she had applied to several eminent physicians, without relief, when one bottle of my drops entirely cured her.

Over 5000 bottles have been sold in its native town, and not a single instance of its failure is known.

We have in our possession any quantity of certificates, some of them from eminent Physicians, who have used it, and others who have given it a pre-eminence over any other compound.

IT DOES NOT DRY UP A COUGH,

but loosens it, so as to enable the patient to expectorate freely.

TWO OR THREE DOSES WILL INvariably

CURE THE COUGH, and may be had of a home in

A half bottle has often completely cured the most Stubborn Cough!

And yet, though it is so sure and speedy in its operation, it is perfectly harmless, being purely vegetable; it is very agreeable to the taste, and may be administered to children of any age.

In cases of CROUP we will guarantee a cure, if taken in season.

It is the result of all the price being

ONLY 25 CENTS.

And if an investment and fair trial does not "back up" the above statement, the money will be refunded. We say this knowing its merits, and feel confident that one trial will secure for it a home in every household.

Do not waste away with Coughing, when so small an investment will cure you, and may be had of a home in every household.

There is a good deal of water also a large element in the Cough, for particulars enquire of the
